**Family Agreement
Form E**

Immaculate Conception School provides technology resources to its students and staff for educational and administrative purposes. The goal in providing these resources is to promote educational excellence by facilitating resource sharing, innovation, and communication and is under the supervision of teachers and support staff. The use of these technology resources is a privilege, not a right.

With access to computers and people all over the world comes the potential availability of material that may not be considered to be of educational value. Immaculate Conception School maintains a firewall to filter inappropriate material and believes that the value of information, interaction, and research outweighs the possibility that users may obtain material that is not consistent with the educational goals of the school.

Proper behavior, as it relates to the use of computers, is no different than proper behavior in all other aspects of school. All users are expected to use the computer networks in a responsible, ethical, and polite manner. Immaculate Conception School Technology is prohibited for the following uses:

- Violating students' rights to privacy/confidentiality.
- Attempting any unauthorized access to any computer system.
- Downloading unacceptable materials.
- Re-posting personal communication without the author's prior consent.
- Violating copyright law.
- Using school technology resources for financial gain, credit card fraud, electronic forgery, other illegal activity and for political purposes.
- Downloading, installing, or storing software on a school computer without the approval of appropriate school personnel.
- Using inappropriate language, pictures, and gestures in any form on the Internet.
- Using the Internet for entertainment or limited self-discovery function.
- Using the Internet for unauthorized purchases.

School personnel may withdraw student Internet access at any time.

If you wish for your child to have access to technology resources, which includes Internet access, at Immaculate Conception School during the 2008-2009 academic year, please sign and return the bottom portion of this form.

We, my child and I, have read and understand the Technology and Internet Policy for the Archdiocese of Chicago and Immaculate Conception School. We understand that the use of technology resources is a privilege, not a right, and that corrective measures will be taken if students misuse or abuse the resources.

Enter student's full name

has permission to utilize the Technology Resources that include Internet access during the 2008-2009 academic year.
